

Dear Resident,

Are you able to spare a small amount of time helping to keep the Parish tidy by carrying out occasional litter picks? Litter picks will be carried out under current and future Government guidelines. We are lucky enough to have a volunteer litter picking coordinator within the Parish who is looking for volunteers to help – the more the merrier and less litter! If you are interested, please contact resident Annette Leyland : arleyland55@gmail.com and spread the word…
